To ensure a safe and enjoyable experience with your OWS Earbuds, please follow these important safety guidelines:

Charging & Battery Safety

- Use only the provided charging cable or a compatible charger.
- Avoid overcharging; disconnect once fully charged.
- Keep the charging case and earbuds away from water and moisture.
- Do not expose the earbuds or charging case to extreme heat or direct sunlight.

Usage & Hearing Protection

- Keep the volume at a moderate level to prevent hearing damage.
- Avoid prolonged listening at high volumes to protect your ears.
- Take regular breaks when using earbuds for extended periods.
- Do not use earbuds while driving or in situations requiring full attention.

Handling & Maintenance

- Store earbuds in the charging case when not in use to prevent loss or damage.
- Clean earbuds regularly using a soft, dry fibre cloth to remove dust and debris.

- Do not attempt to disassemble or repair the earbuds yourself.
- Keep earbuds away from strong magnetic fields or electronic interference.

Water & Sweat Resistance

- Wipe off sweat or moisture before placing earbuds back in the case.
- Do not submerge the earbuds or expose them to excessive water.

Connectivity & Wireless Safety

- Keep earbuds within the recommended Bluetooth range for stable connectivity.
- Avoid using earbuds near medical devices, as wireless signals may interfere.
- If experiencing discomfort or irritation, stop using the earbuds immediately.
