How to Pair?

1. If there's no connection history, the neckband will turn into pairing mode automatically. Once you separate the magnetic earbuds, device will come to pairing mode (White light & Red light will blink). While the neckband is in Pairing Mode, turn ON the Bluetooth on your device, search for 'MadRabbit Bass-On Wireless Pro' and click 'Connect'. The neckband will connect to the last device when turned on.
2. Enable Bluetooth function on your device. Search and find 'MadRabbit Bass-On Wireless Pro' in the Bluetooth connection list. Tap on the name to 'Connect'. A voice prompt "Connected" will be heard once successfully connected. The White LED indicator will flash twice every 4 secs.

How to Reset?

Press and Hold Volume + and Volume - Buttons simultaneously for 5 secs. The White and Red indicator will flash three times.

How to Use?

Power ON / OFF

The neckband will automatically turn on when you separate the earbuds. The neckband will automatically turn off when you join the earbuds together.

Volume Adjustment

To Increase Volume: Press the Volume + Button. Maximum volume will be heard when reaching the highest volume.

To Reduce Volume: Press the Volume - Button. Minimum volume will be heard when reaching the lowest volume.

Control Music Tracks

For Previous Track: Press and Hold the Volume - Button for 1.5 secs.

For Next Track: Press and Hold the Volume + Button for 1.5 secs.

Control Phone Calls

To Answer: Press the Multifunction Button once.

To Hang Up: Press the Multifunction Button once.

To Decline Incoming Calls: Press and Hold the Power Button for 3 secs.

Play and Pause Music

To Play: Press the Multifunction Button once.

To Pause: Press the Multifunction Button once.

Gaming Mode

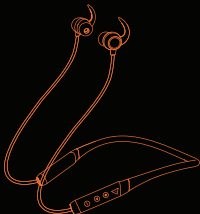

Double Press the MFB to Switch to Low Latency Mode, also known as the Gaming Mode. Once switched on, it gets notified via a sound prompt. Double Press the MFB once again to turn it off and return to Music Mode.

Dual Pairing

To Connect 'MadRabbit Bass-On Wireless Pro' to two devices simultaneously, firstly Connect the neckband to one of the devices. Then, Switch OFF the Bluetooth of the neckband and the device. Thereafter, Connect the neckband to the second device and again Switch ON the first device's Bluetooth. The neckband gets connected to both devices. If not, Connect the first device manually once to activate dual pairing.

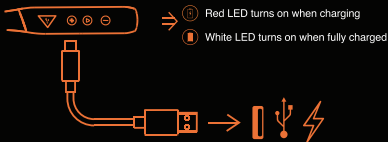

Voice Assistant

Press & Hold the Multifunction button for 1sec.

Charge

Connect your neckband to a power source using the included Type-C Charging Cable. A voice prompt "Battery Low" will be heard and the Red LED indicator will flash once every second when battery runs low (playtime less than 10 mins or voltage lower than 3.3 V). The Red LED indicator will be on when charging (the neckband can't be turned on during charge). The White LED indicator will be on when fully charged.

Warning

1. Never dismantle or alter this product by yourself to avoid damages and fire hazards.
2. Do not store this product in extreme temperatures (below 0 °C or above 60 °C). Working temperature: 0 °C - 45 °C.
