Ideal for 55" TV and above	

ALL-IN-ONE VERSATILE DOLBY ATMOS SOUND BAR.

Bring immersive home cinematic sound and wireless audio over WiFi to your living room without taking up a lot of space. A single compact all-in-one design that delivers an amazing Dolby Atmos experience which will also quickly become your living room audio hub with Chromecast built-in, Works with Apple AirPlay, Works with Hey Google and Works with Alexa connecting to all

popular audio ecosystems. With a carefully engineered combination of angled drivers and acoustic radiators and dual built-in subwoofers, your ears will simply not believe how much performance and quality has been crammed into this soundbar whilst taking so little space. Hearing is believing. Every time again.

PRODUCT HIGHLIGHTS

 <p>Dolby Atmos offers boundary-less sound that moves around you. Individual sounds are precisely placed in the room, immersing you in each story and song.</p>	 <p>AirPlay technology brings you multiroom audio, Siri voice control, and enhanced playback.</p>	 <p>Chromecast built-in brings Google Assistant voice control and multiroom audio, easy from numerous devices</p>	 <p>Works with Alexa lets you use your Amazon Echo or Alexa built-in device to play and control music playing on this soundbar and set it up with other speakers throughout your home.</p>
