Hisense 2.1 Ch Soundbar
with wireless subwoofer

MODEL HS212F

Television's best match

The Hisense HS212F 2.1 Channel Soundbar creates incredible sound in a compact and sleek form factor. The wireless subwoofer ensures that you'll hear and feel every "boom" your entertainment content can throw at it. The HS212F is also a Roku TV Ready soundbar. Using the HDMI (ARC) connection, you can control both your Roku TV and the soundbar with the Roku TV remote. Big sound that delivers a huge entertainment experience.

Enjoy Better TV Sound

Easy to place and connect to your television, the Hisense H212F soundbar significantly improves your TV entertainment experience and is perfect for TV's 32" or larger. Instead of just hearing the scene, you're transported into it.

Easy Connectivity

With HDMI (ARC), the Hisense HS212F can connect to your TV through a single HDMI cable (included), connect wirelessly via Bluetooth, and control both with one remote. You'll be enjoying better TV sound in minutes.

Quick Touch EQ Modes

Get the best audio performance from music, movie, news, night, and sport with a simple touch of the remote with multiple preset EQ settings.

One Remote

The HS212F can be controlled with a Hisense TV remote. Consolidation of remotes makes turning power on/off on both devices and changing the volume simple and easy.

Wireless Subwoofer

A dedicated, wireless subwoofer delivers the robust low-end frequencies that punctuate your favorite movies, music, and games, without any messy wires. You'll feel the "boom" while the two front-facing speakers project bright, clear high- and mid-range frequencies.

Wireless Music Streaming

The HS212F includes Bluetooth technology for easy wireless connections to smart devices. Enjoy music from your smartphone, tablet or laptop.

Roku TV Ready

As Roku TV Ready device, the Hisense HS212F Soundbar is fully compatible with any Roku TV through the HDMI (ARC) connection. You can even use the Roku TV remote to control both the TV and soundbar for easier setup and better navigation experience.

Accessories included

Everything you need to get started. We've included an HDMI cable, optical cable, and a wall mounting kit to make sure that you have what you need to make the most of your Hisense audio experience right out of the box.
