Highlights

45 hours playtime

The Philips TAT1179 wireless earphones offer an impressive 45 hours of playtime, ensuring you can enjoy your music, podcasts, or calls throughout the day. With a secure and comfortable fit, they deliver clear, powerful sound and are built for all-day use. Whether you're commuting, working out, or relaxing, these earphones provide a seamless listening experience with quick charging and a compact design for on-the-go convenience.

Philips sound signature

The Philips TAT1179 wireless earphones are crafted with the iconic Philips sound signature, delivering rich, clear, and dynamic audio for an immersive listening experience. These earphones offer long-lasting performance without compromising on sound quality. TAT1179 is perfect for music lovers who want exceptional sound on the go.

10mm Drivers

The Philips TAT1179 wireless earphones feature powerful 10mm drivers, delivering clear, detailed, and dynamic sound that enhances your listening experience, making them perfect for both active and casual use. Whether you're working out, commuting, or relaxing, the TAT1179 offers excellent sound quality and a seamless connection.

IPX4

The Philips TAT1179 wireless earphones are built to withstand your active lifestyle with IPX4 splash and sweat resistance. Whether you're working out, running in the rain, or simply on the go, these earphones offer reliable durability to keep performing in any environment. Enjoy your music worry-free with protection against water and sweat.

Touch controls

The Philips TAT1179 wireless earphones feature intuitive touch controls, allowing you to easily manage your music, calls, and volume with a simple tap. No need to fumble with buttons – just a quick touch on the earphones lets you play, pause, skip tracks, or answer calls effortlessly.

Enjoy a smooth, hands-free experience that keeps you connected and in control, whether you're on the move or relaxing.
