

The Home Theater TV for the Modern Apartment

The Perfect Home Theatre TV for Modern Apartments

The Vu Vibe Designer's Vision TV has especially been created to for apartments which have space constraints with an unmatched blend of premium features such as a Dolby Vision QLED screen, easy-to-use Google TV OS, 88W integrated Dolby Atmos soundbar and all the important casting and upscaling features in a sleek, home-friendly design.

CALIFORNI

VIBE DV

Integrated Soundbar for Dialogue Clarity

Specially designed, developed and innovated at Vu New Product Development Lab, the Vu Vibe DV has been exclusively made for dialogue clarity for subtitle-free content viewing. No more struggling to hear what the actors are saying on your favourite show, the Vu Vibe DV along with Dolby Atmos make it the perfect TV to create a vibe with crisp speech and smooth music sound together.

Dolby Vision with 400 nits Brightness

Some gifts are timeless. Or are QLED. Here's both! Say goodbye to boring screens - Dolby Vision crazy-deep contrast and QLED's vibrant colors make every scene jump out like it's alive. You might forget you're watching TV & not living in a blockbuster!

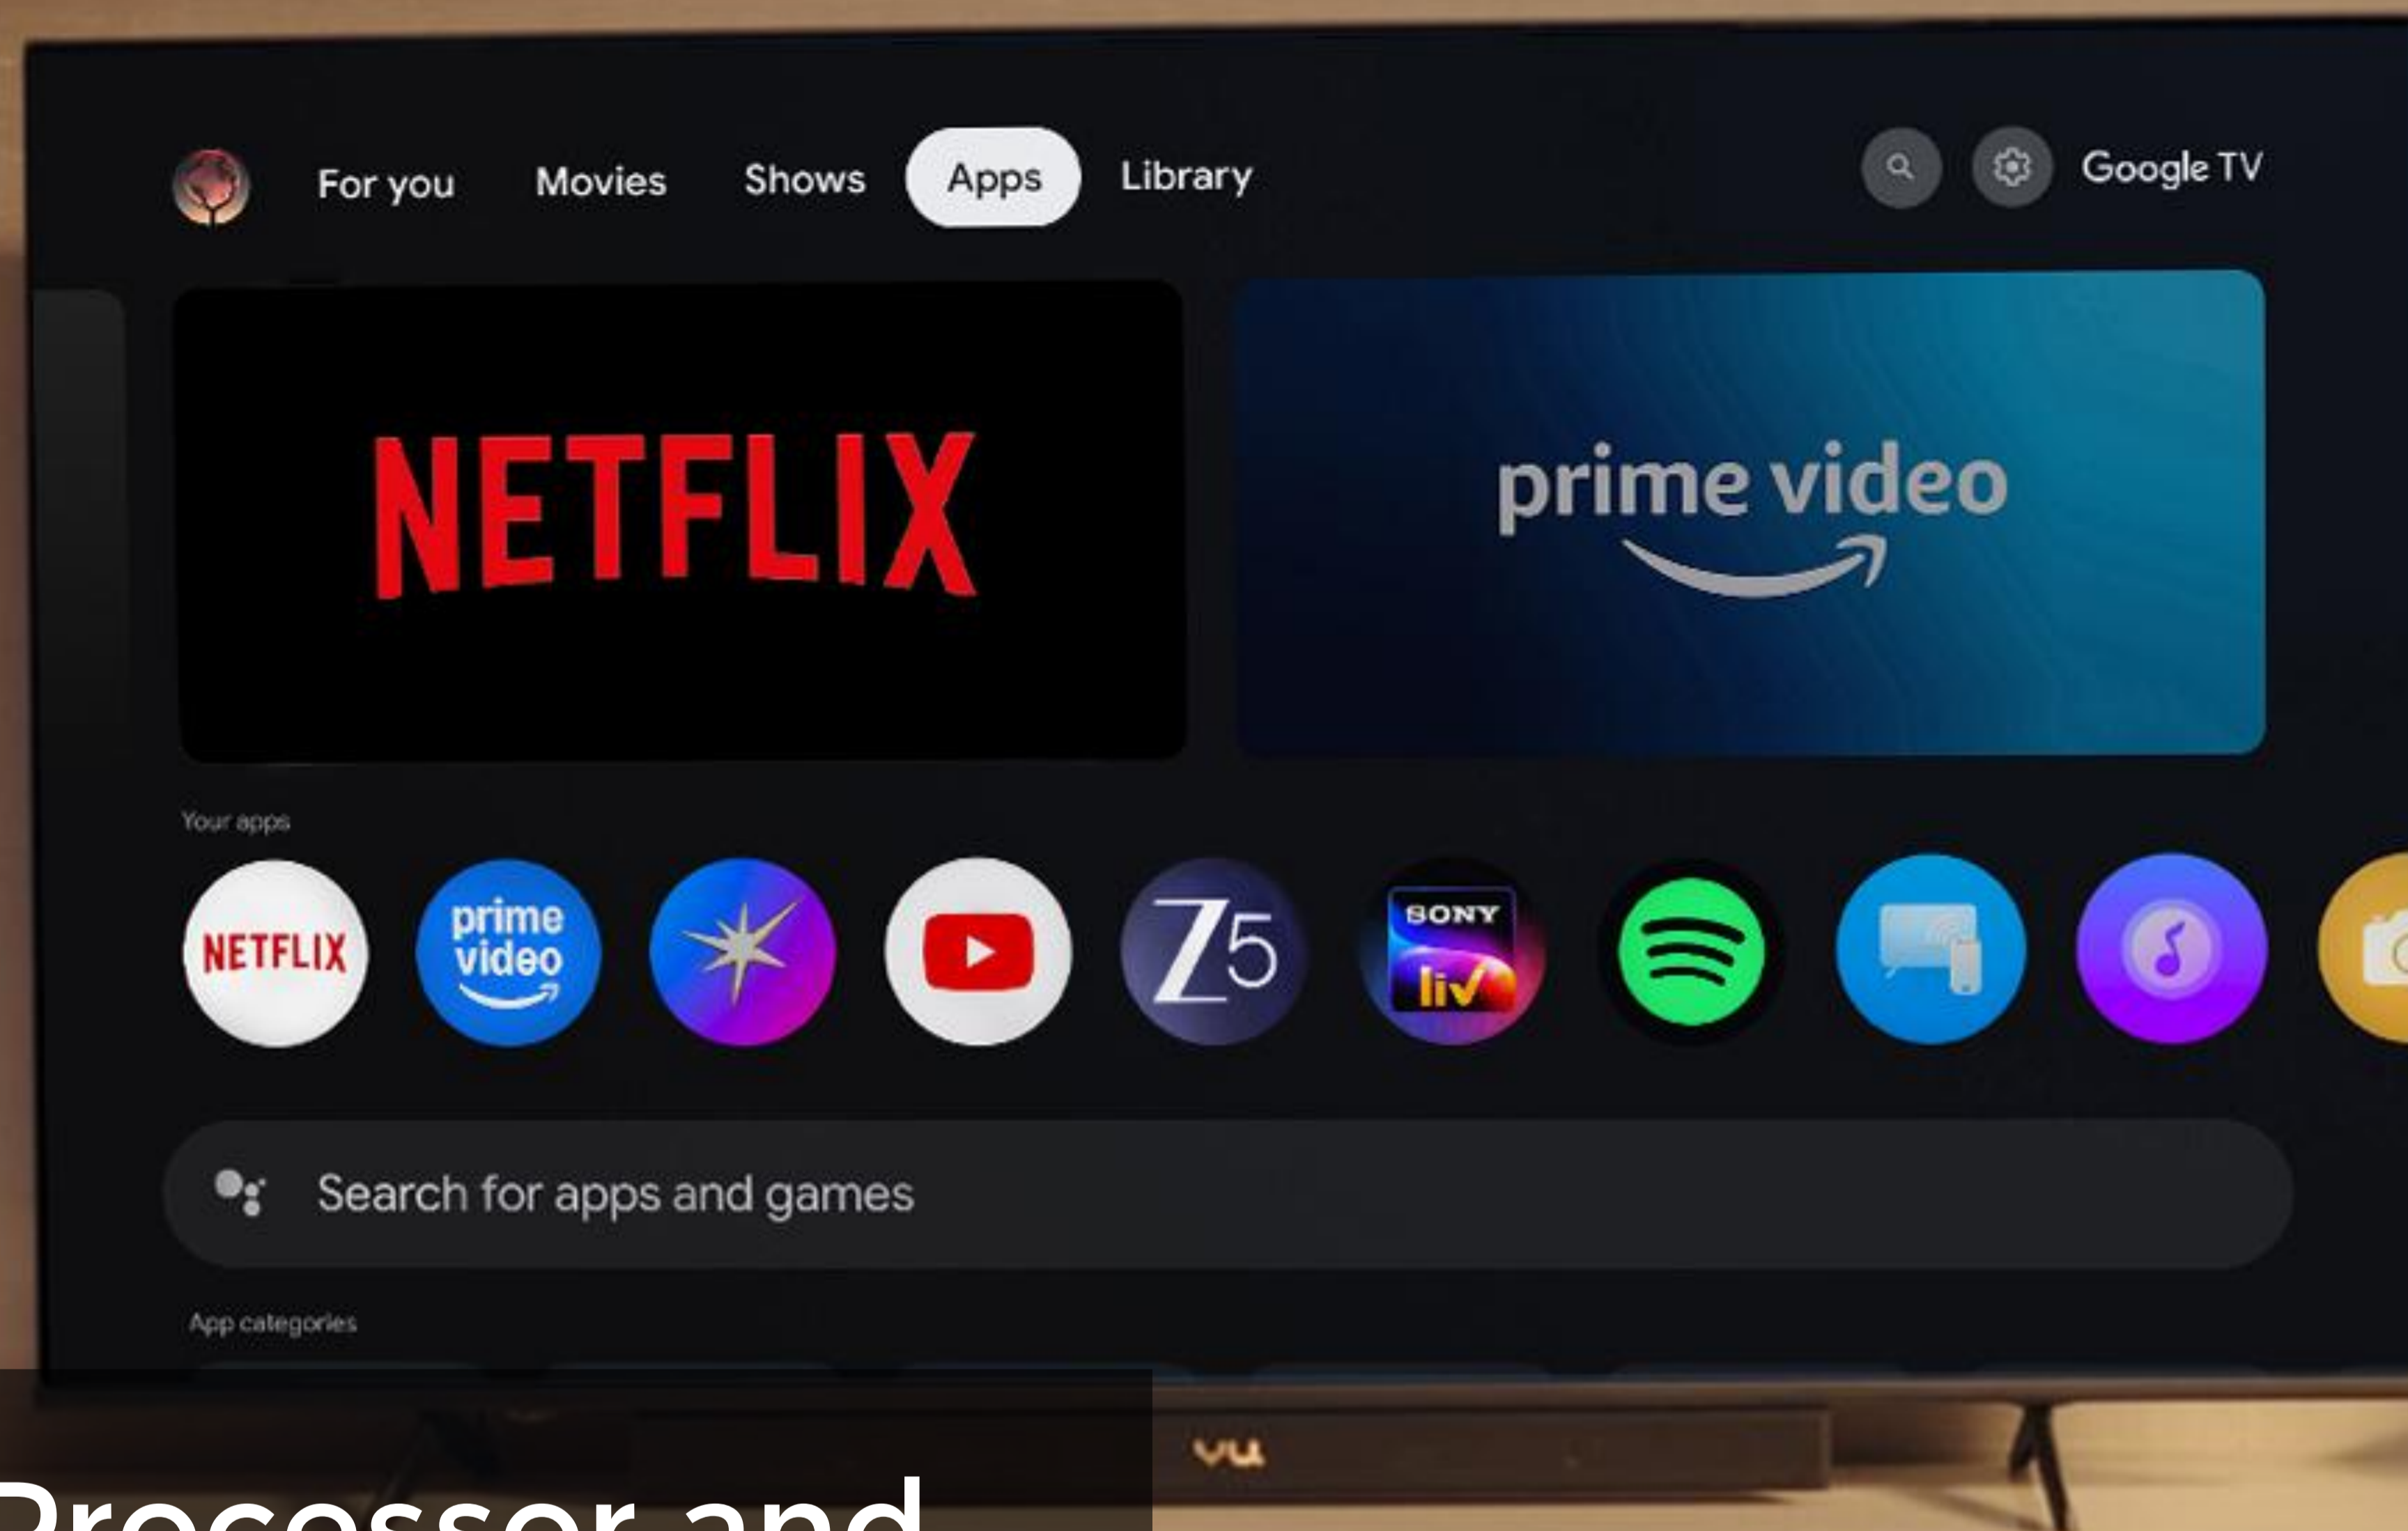

88W Dolby Atmos Sound System

It's got the looks, And the brains. And the bass
This isn't just sound it's a vibe. With a built-in powerhouse soundbar that drops bass like Beyoncé live, the VU Vibe DV turns your living room into a full-blown concert!

The World's First TV with WIFI Remote

Not just pressing buttons, but shifting realities
With instant hotkeys, a voice assistant, and universal Bluetooth pairing,
the VU Vibe DV's remote is designed for people who like their tech
snappy. No menus. No lags.

1.5GHz VuOn™ AI Processor and Google TV OS

Netflix & Chill? More like Options and Thrill.
No downloads, No waiting - instant access to Netflix, YouTube etc, right out of the box. Vu Vibe's built-in entertainment ecosystem, you're always ready to watch & chill in 4K clarity & surround sound
