

TC6200 SERIES | HD and FHD

32" 42"

QUAD-CORE PROCESSOR

With the power of a quad-core processor, the TC6200 will be able to take whatever you throw at it. So fast, you won't believe it's real life. A true experience to remember.

Chromecast Built-in

Chromecast technology comes built-in to the TC6200. Feel free to use your mobile device to stream your favorite shows, movies, music, sports, games, and more to the big screen.

HIGH CONTRAST

With a high contrast ratio experience contrast the way it was meant to be experienced. Crisp bright images with rich blacks giving your eyes the picture they deserve.

360° IMMERSIVE SOUND

With Dolby and DTS TruSurround, The TC6200 Series can actively regulate the audio to provide a richer, cleaner, and stereoscopic surround sound effects that will make you feel like you're there.
