

Experience your favorite entertainment with the Hisense A4 Series Google TV. Google TV seamlessly brings together your movies, shows, live TV, and subscriptions, and organizes them just for you. The voice remote provides easy access to the built-in Google Assistant, allowing you to explore a vast library of content. Additionally, the A4K includes DTS® Virtual: X™ technology to enhance your audio experience and immerse you further into your entertainment.

Google TV

The entertainment you love. With a little help from Google. Google TV brings together movies, shows, live TV and more from across your apps and subscriptions and organizes them just for you. Discover new things to watch with recommendations based on what you watch and what interests you, from across your subscriptions and content available to you. Ask Google to find movies and shows, answer questions, control smart home devices, and more, with your voice. And with the Google TV app you can watch anywhere, anytime.

FHD Resolution

Along with 1080p high-definition LCD screen, you'll find a powerful full array LED backlight, creating a sharper, more colorful picture.

Google TV

Browse 700,000+ movies and TV episodes, plus live TV, from across your streaming services — in one place, and organized by the genres and topics that interest you the most

Google TV comes with over 800 free live TV channels, all in one place. Catch news, movies, hit TV shows and more from multiple providers, right on the Live tab. The best of free TV is just a click away

Game Mode

Enjoy a better gaming experience. In Game Mode, input lag is significantly improved, so your commands from the controller are virtually instantaneous on the screen.

Sports Mode

With sports mode's pre-set settings, the television automatically adjusts itself to optimize sports content. Motion is smoother and color is adjusted for the best sports experience the television is capable of.

Google Assistant

Press the Google Assistant button on your remote to do more on your TV with your voice. Ask Google to search for the latest blockbuster, stream shows, or open multiplayer games. Have it dim the lights by connecting smart home devices. Manage tasks and see your calendar. Or ask it questions and see the answers on your TV.

Chromecast Built-in

Go from your phone, tablet, or laptop to your TV in an instant. With Chromecast built-in, you can cast all your favorite movies, shows, apps, games, and more directly to your TV.

DTS® Virtual: X™

This scalable and versatile advanced post processing package creates immersive audio by virtualizing height content over traditional stereos.

Voice Remote

With the voice remote, you can open apps, adjust the volume, and search for your favorite shows using your voice. Just press the Google Assistant button on your remote to talk to Google.

Bluetooth™ Connectivity

Wirelessly connect a compatible soundbar, headphones or stereo components to your TV. Then turn it up. Sounds like your favourite playlists sound better.
